

NEW FLEXIBLE SCOPE: Accredited Microbiological Reference Materials

Now available in our store! We've expanded our catalog of ISO 17034 accredited materials with a new flexible scope for BACredi.

- ✓ 25 accredited microorganisms in BAControl (BACredi BC) and BACuali (BACredi BL) formats
- ✓ More variety to fit your needs
- ✓ Same price, more prestige – accredited material at the same cost

The best part: we keep all your favorite references, now with higher accredited value.

Discover all the references at <https://tienda.ielab.es/>

At ielab, we keep innovating to bring you quality solutions.
